DETAILED ACTION

The submission of amendment filed on 5/10/2005 is acknowledged. At this point claims 1, 2, 11, 12, 14, 15, 18-20 have been amended, new claims 21-23 have been added and the remaining claims left unchanged. Thus, claims 1-23 are at issue in the instant application.

EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with **Mr. Jack Barufka Rej. No. 37087** on 07/06/2005.

In claim 1 delete the last paragraph and exchange with: "a light movably mounted in the storage compartment and including a power source and an illumination device, wherein the light is movable into a plurality of positions relative to said compartment, including a position wherein the illumination device is oriented toward the light permeable member".

Allowable Subject Matter

Claims 1-23 are allowed.

The following is an examiner's statement of reasons for allowance:

Art Unit: 2875

Referring to Claim 1 the prior art of record fails to show a tool box having a light movably mounted in the storage compartment wherein the light is movable into a plurality of positions relative to the compartment, including a position wherein the illumination device is oriented toward the light permeable member.

Referring to Claim 2, 12 the prior art of record fails to show a tool box wherein a light is movably mounted in the cover and is movably between a first position directed to the light permeable lens and a second position directed within the base.

Claims 3-5 are allowed as claims depended on claim 2.

Claims 13 is allowed as claims depended on claim 12.

Referring to Claim 11 the prior art of record fails to show a tool box having an illumination device movable between a position in which the light is directed through the light transmitting region and a position in which the light is directed into the interior storage compartment.

Claims 14-20 are allowed as claims depended on claim 11.

Referring to Claims 21, 22 the prior art of record fails to show a tool box wherein a light is movable between a first position directed toward the light transmitting opening and a second position directed away from the light transmitting opening and toward the base.

Claims 23 is allowed as claims depended on claim 22.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
